

Eight Point Lake Property Owners' Corporation

MEMORIAL PAVER PROGRAM

1. This program is for Eight Point Lake Property Owners' Corporation MEMBERS and their IMMEDIATE FAMILY.
2. The location of the paver garden is between the Clubhouse west side and the pavilion.
3. The program gives Association Members a means whereby they can honor the memory of A DECEASED LOVED ONE who also loved Eight Point Lake.
4. The paver walk will be laid out with blank pavers to start with, approximately 720 pavers. Members may buy their paver via an order form from the Clubhouse Committee or by downloading the form from www.8pointlake.org
5. The cost of the paver is \$40.00, which includes the paver, engraving, and installation. Installation is done in the summer months only (June-September). There is a 3 line, 19 characters per line maximum. Lettering style will be the same on all lines, on all pavers. Costs may be changed one year in advance due to increased production costs.
6. Upfront costs will be paid by the Eight Point Lake Property Owners' Corporation, and monies received for paver memorials will defray the initial costs. Monies for paver purchase will be given to the Corporation Treasurer, maintaining a separate account for this program.
7. This program is intended for Eight Point Lake Property Owners' Corporation Members and their immediate family only, and is not intended to memorialize family pets. Advertising or political comments will not be approved. All wording must be approved by the Memorial Paver Committee Chair prior to engraving and installation.
