

# Do you have YOURS?

If you have the green emergency address sign, GREAT! You are increasing the likelihood of a good outcome in the event of emergency -- medical, fire, and law personnel will find you faster, especially at night.

If you don't have yours yet, do this:

1. Decide on a horizontal or vertical location near the road, near your driveway, and high enough to be clearly seen.
2. Call 989.544-0043 to order - cost is \$15. You'll be notified when ready for pickup.
3. Install at about mailbox height - above snowplow line - perpendicular to road for best visibility and to avoid situations like these...and keep shrubs trimmed away from the sign, too.

And what about this?
